

## **Presidents Council Resolutions – 14 and 15 May 2011**

### **SCHOOL SPORTS**

- The members of the South African Sports Confederation and Olympic Committee acknowledge the schools' sports policy as presented to the Presidents Council by Sport and Recreation South Africa
- Schools' Sports is acknowledged by the South African Sports Confederation and Olympic Committee as a means to transform and develop sport in South Africa
- That the said Policy shall be finalised by the Minister of Sport and Recreation in collaboration with his counterpart the Minister of Basic Education
- That the Minister of Basic Education recognises the Member Federations of the South African Sports Confederation and Olympic Committee and thereby provides all National Federations access to schools in terms of this policy through structures to be agreed upon.
- That Sport and Recreation South Africa together with the Provincial Departments of Sports and Recreation shall provide funding to the identified codes for the implementation of the policy and thereafter extend funding to the other member federations of the South African Sports Confederation and Olympic Committee.
- That Sport and Recreation South Africa at National and Provincial level consult with the Provincial Sports Councils on the implementation of the Policy at Provincial, District and Local level
- That Sport and Recreation South Africa shall provide the National Federations with a model of an acceptable Schools Sports Structure
- That National Federations are the custodians of its sport and therefore includes jurisdiction of the school sports code.
